IMPRESSIONS ABOUT THE BOOK

- ▶ The book was very interesting. Our favorite part would probably have to be when Atticus and Mayella were in the court room and Atticus was asking Mayella about all the things that Tom did to her. You could tell from a mile away that she was lying. This part kind of reminded us of the Amber Heard and Jonny Depp case.

THEMES IN THE BOOK...

THE MAIN THEMES IN THE BOOK TO KILL A MOCKINGBIRD ARE:

- Racism
- Gender inequality
- Poverty
- Loneliness

SIMILARITIES AND DIFFERENCES ...

➤ **Similarities:**

- Beautiful nature
- Delicious food
- Erasmus+
- In Europe and the EU
- Beautiful languages

➤ **Differences:**

- Languages
- In Bulgaria we have apps that show us how much time there is left until the bus
- Our school is a lot smaller
- Bulgarians are ruder
- In Bulgaria, prices are higher for everything

WORKSHOPS...

- ▶ Our favorite workshop was definitely the one in technology class where we made mockingbirds from wood. It was the first time for all of us to make something from wood and the experience was really impressing.

IMPRESSIONS ...

- We were in a hotel and not in a family. We were four girls in a room so it was pretty exciting and fun. We had to choose a restaurant for dinner but we had issues with that because three of the restaurants we went to were closed. That impressed us because in Bulgaria, restaurants do not close this early. After dinner we had movie nights. It was really hard for us to wake up early in the mornings.

A message ...

Престоят ни в Словения и най-вече в Шкофя Лока ни даде много незабравими спомени и нови приятелства. Всички места, които посетихме бяха много красиви, но любимото ни остава училището. Благодарим ви, че ни предоставихте това преживяване.

Our stay in Slovenia and especially in Škofja Loka gave us many unforgettable memories and new friendships. All the places we visited were very beautiful, but our favorite remains the school. Thank you for providing us with this experience.
